Minnesota Rural Water Association presents the Extra Mile Award to Joe Rubbelke, Infratech

The Extra Mile Award. The Extra Mile award is presented to an individual for efforts put forth above and beyond his/her normal scope of responsibilities assisting water/wastewater systems and their personnel. This award goes to the outstanding achievers in the water and wastewater industry that are recognized by Operators, Industry Members, Peers, and Friends.

The recipient of the 2010 Extra Mile Award is Joe Rubbelke from Infratech. Joe has been a breath of fresh air to the Industry with his knowledge and on-site training skills by assisting with many organizations in the State of Minnesota. He continues to go the extra mile in assisting MRWA in hands-on training and technical assistance. His current employer, Infratech, has provided Joe with the opportunity to share his experience and knowledge with water and wastewater operators across the state. With the involvement from individuals like Joe, MRWA is able to provide expertise and leadership in training and technical assistance!

The Board of Directors and Staff of the Minnesota Rural Water Association proudly presents the 2010 Annual Extra Mile Award to Joe Rubbelke, Infratech. Congratulations!
