May 8, 2020

MnWARN is pleased to announce that FEMA shipped 80,000 washable, reusable cloth face masks for distribution to all requesting water and wastewater utilities in Minnesota. Accordingly, masks will be initially allocated to requesting utilities at the rate of five (5) masks per full time employee. As supplies may be limited, requests will be filled on a first come-first served basis.

To request FEMA masks through this program, we ask that you contact the Point of Distribution (POD's) nearest you, see contacts for POD's on the following pages.

Please have the following information ready when submitting your request:

- Quantity Requested & # of Full-Time Employees
- Utility Name and Address
- PWSID/NPDES Permit #, depending on utility type
- Population Served (<500, 501-3300, 3301-10000, 10001-100000, >100000)
- Utility Contact (Name, Phone #, Email)

In order to facilitate distribution of masks throughout the State, we have established Twenty (20) primary points of distribution (PODs) which should allow for reasonable access to the masks for most utilities.

The location of each POD (along with associated contact information) is provided as follows (Note: Requests will only be accepted by phone or email):

**Region 1**

**St. Peter Municipal Utility**

405 West Saint Julien Street

St. Peter, MN. 56082

Contact(s): Jeff Knutson

Phone: (507) 934-0670

Email: [jeffk@saintpetermn.gov](mailto:jeffk@saintpetermn.gov)

**MPCA - Rochester**

18 Wood Lake Drive SE

Rochester, MN. 55904

Contact: Cory Schultz

Phone: (507) 206-2655

Email: [cory.schultz@state.mn.us](mailto:cory.schultz@state.mn.us)

**Rochester Public Utilities**

505 40<sup>th</sup> Street NE

Rochester, MN. 55906
