

NEW!

# Operator Equipment Exposition

# 2009

Minnesota Rural Water Association

# OPERATOR EXPO

August 19 & 20, 2009

Location:

Carver County Fairgrounds  
Waconia, MN

*Minnesota Rural Water Association* invites you to participate as a vendor demonstration booth for our all new Operator Equipment Exposition on August 19 & 20, 2009 in Waconia, MN.

The Operator Equipment Expo is **NOT** an exhibit hall. It is a demonstration show with live, hands-on demos geared towards operators and managers. MRWA encourages you to allow attendees to “try” out your products.

Each vendor booth includes the booth location (you choose: inside or outside), 1 - 8 foot table, 2 chairs, 2 vendor attendees, lunch and dinner on August 19, and a T-shirt. Water and electricity hookups are available (you must bring your own cords and hoses).

Check out the enclosed registration forms for more details. We hope to see you there!
