**ORDINANCE NO. \_\_\_\_\_ : AN ORDINANCE AMENDING THE CITY OF \_\_\_\_\_ CITY CODE BY AMENDMENT TO SECTION \_\_\_\_\_ CONNECTIONS WITH WATER REQUIRED:**

The City Council of the City of \_\_\_\_\_ ordains: Section 1a shall be added, Connections with Water Required. Section \_\_\_\_\_ of the City of \_\_\_\_\_ City Code is amended by adding the following: Section \_\_\_\_\_. Any buildings used for human habitation or for human occupancy, including all business buildings, unless specifically exempted by the Council on the grounds that no human beings occupy or use such buildings and no human needs are generated therein, located on property adjacent to a water main, or in a block through which the water extends, shall be required to petition for water service and to connect thereto when their present on-site water system fails. The owner of such property shall pay all assessments for water in accordance with the City of \_\_\_\_\_ assessment policies. No permits will be granted for reconstruction of existing on-site systems when City water service is available to such property. Agricultural buildings hereafter constructed within the City on property adjacent to a water main or in a block through which the water system extends, shall be provided with a connection to the municipal water system for all human needs. If sewer service is also available to that property, a petition for and a connection to the sewer system shall also be required and the owner of such property shall pay all assessments in accordance with the City of \_\_\_\_\_ assessment policies. Save as above amended, said City Code shall stand as initially passed and as previously amended. This ordinance shall be in full force and effect from and after its passage and publication according to the City Charter. Passed by the Council of the City of \_\_\_\_\_ this \_\_\_\_\_ (date).
